

# SteelTop NVQ200, NVQ370, NVQ380

The "Steel Top" originals are an essential part of our history but, at the same time, have established themselves in a whole range of applications to be the quality and performance standards against which we will be judged for years to come.

TwinFlo 2 stage high efficiency motor

Nucable easy replacement plugged cable system

- Built to Last**  
 All steel deep-drawn head provides a structure of exceptional strength
- Noise Reduction**  
 Patented Microtec noise reduction system.
- Professional and Powerful**  
 Long life professional TwinFlo motor.
- HepaFlo**  
 Easy to change high efficiency HepaFlo bags.
- TriTex Filtration System**  
 Improve filtration, cleanliness and capacity.
- Nucable System**  
 Quick and simple cable replacement, saving on expensive repairs due to damaged cables.
- Professional Accessory Kit**  
 Accessory kit incorporates stainless steel tube set. (See page 38 for full accessories)

NVQ380  
Steel and Structofoam construction

HepaFlo bags, clean to use and easy to empty

Professional specification throughout
